

INDIANA

Elements of a High Quality Reach Out and Read Site

Medical Providers

- 75% trained in ROR Core
- New provider training system in place
- ROR model use with fidelity
- Identified, engaged on-site medical champion

Books

- Well-child visits to books ratio is 85%+
- Book storage/tracking system is clear and consistent
- Well-defined and effective book flow
- Consistent book availability

Program Management

- Progress reports are accurate, complete, and on-time
- Book funding plan
- Communicative and responsive site coordinator
- Engaged clinic leadership

Literacy-rich Environment

- Clinic is literacy-rich in feasible ways
- Community resource information available

If your site needs help accomplishing any of these goals, please reach out to Program Coordinator, Jillian Phillips at jp@inaap.org
